European Sustainable Nutrient Initiative (ESNI) Conference,
18 & 19 September 2024, Brussels, Belgium

CALL FOR ABSTRACTS

On 18 and 19 September 2024, the Biorefine Cluster Europe organises the fifth edition of the European Sustainable Nutrient Initiative - **ESNI Conference** that will take place at **Ateliers des Tanneurs, Huidevettersstraat 58-62 Rue des Tanneurs, 1000 Brussels (Belgium)**.

The European Sustainable Nutrient Initiative brings together leading experts in the field of nutrient cycling to foster collaboration among European entities engaged in nutrient recycling, facilitating the exchange of valuable experiences and identifying knowledge gaps to guide future research.

Template for abstracts and poster presentation

Abstract title

First name and name of author, First name and name of co-author
1 Affiliation, City, Country,
2 Affiliation, City, Country

* Corresponding author, E-mail: _____

Requirements

- Times New Roman should be adopted for all the text.
- The abstract title should be centred and written in bold with a font size of 14 pt.
- The author's first name and last name in 12 pt should be centred too, with the name of the presenter underlined.

www.biorefine.eu/esni-2024

- The affiliation, city, and country of all the authors should be provided in 10 pt.
- Authors from the same affiliation should share the same index number. The corresponding author should be marked by an asterisk (*).
- The abstract should be a MS Word file named in the format of the following example:
'Author name_Abstract for ESNI Conference 2024 – Poster session.'

The abstract body (in 12 pt) mainly covers the objectives, methodology, key findings, and conclusions of the research. Illustrations, photographs (readable in black and white), and tables in adequate resolution are welcome.

The length of the **abstract should not exceed 270 words, and the margins on the top, bottom, and two sides should be 2.5 cm.** The abstracts which do not meet this word limit will be sent back to the author(s) to be revised. Authors are suggested providing a maximum of five keywords after the abstract.

Abstracts that do not meet these requirements will not be considered.

How to apply

- The abstract deadline is **9 August 2024**. Please submit your abstract by email to info@biorefine.eu
- There is **no fee** for submission of an abstract.
- If you need to receive a formal acceptance of your abstract in order to be funded to come to the conference, please write this in your e-mail. After submission you will be acknowledged of the receipt of the abstract via an email.
- The organizing committee reserves the right to edit abstracts for clarity or correctness of English but will consult the author if any significant changes are needed.

Poster requirements

1. LAY-OUT

- Posters must be designed and presented vertically. Posters designed horizontally will not be accepted.
- Posters must be on A0 size paper (ca. 841 x 1,189 mm).

2. CONTENT

The poster should contain:

- The title of the corresponding paper, the authors, institution and the institution's location.
- The aims of the study, the question to be asked or the hypothesis to be tested should be clearly and succinctly stated (in as few words as possible).
- Briefly outline your methods. Provide details only for new methods or important modifications of older ones. The conclusions should be stated in large type and easily understandable.

3. DISPLAY

- All accepted abstracts will be presented in poster format during the conference.
- Email confirmation on the acceptance will be sent on 21 August. Posters in electronic version should be sent by 11 September to info@biorefine.eu for the final approval.
- Please do not forget to print the poster and bring it with you on the day of the event.
- When the poster session closes, please remove and take your poster with you. Conference organisers will not keep or forward forgotten posters to any presenter.
